Hotel Las Islas; RNT 52843. The exploitation and sexual abuse of minors are punished with imprisonment, Law 679 of 2001 and Law 1336 of 2009. The flights are operated by SADI S.A.S. Through aircraft reference HK4831 with a maximum capacity for 5 passengers, under the permits of the competent authority in aeronautical matters. The images are for setting and reference, which does not mean that the actual quality is lower than that reflected in the graphics. The operation is limited to the environmental and climatic conditions that allow the flights to be carried out. The price published in a currency other than that of the Colombian legal tender will be settled at the TRM of the payment date.
